Ceiling mount

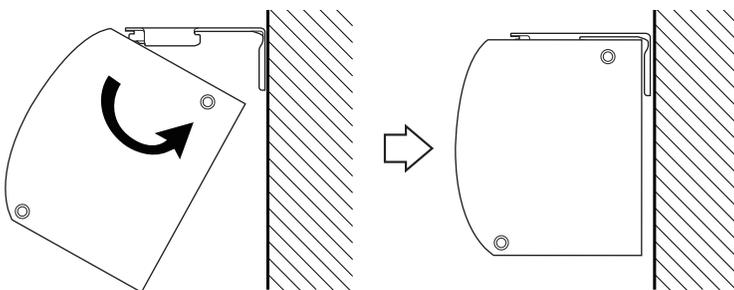

Make sure the brackets are level.

Step 3 : Attach the Blind

Place the front lip of the top of the head rail into the bracket (as shown below).

While holding it in place push back to hook the rear head rail up into the bracket.

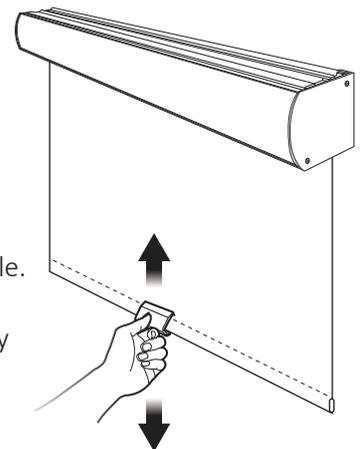

Step 4 : Attach the lift handle

- It is very important to make sure the lift handle is completely centered.

- **Do not** lift or lower the shade from anywhere else besides the lift handle.

- Raise / Lower blind slowly for a smooth operation.

CLEANING INSTRUCTIONS

Do not wash, use strong detergents, or spot removers. Dry cleaning is not recommended. Use a slightly damp cloth to blot gently or a vacuum with an upholstery attachment to clean your shades when dusty. Be careful not to wrinkle or crush the fabric when cleaning.
